The European Symposium of Photopolymer Science (ESPS) is the largest biennial international symposium in Europe dedicated to all aspects of photopolymer science and technology. Since 2010 with the meetings in Mulhouse (2010), Torino (2012), Vienna (2014), Leipzig (2016) and Mulhouse (2018), the ESPS has developed a strong reputation for bringing together the latest photopolymer research from top international polymer scientists.

In 2020, the 6th ESPS will be hosted by Istanbul Technical University (ITU) for facilitating exchange and encouraging cooperation in the field of photopolymer science and technology. ITU was founded in 1773 as being one of the oldest university in Turkey and consists of over 13 faculties and 40 departments in the area of science and engineering from diverse fields including photopolymer science.

The ESPS2020 will consists of leading invited speakers from all around the world and also a very large number of contributors active in the field of photopolymer science and technology.

Istanbul is the most populous city in Europe and has fantastic history, culture and beauty. Istanbul has been capital of three empires and confidently links Asia and Europe through Bosphorous.

We believe that all the participants can enjoy the beautiful and historical city as well as the scientific programs by attending ESPS2020.

We are all welcoming you and looking forward to seeing you in Istanbul.

With great pleasure and pride, we would like to officially invite you to attend the The European Symposium of Photopolymer Science, taking place 6 – 9 September 2020 in Turkey, Istanbul. The biannual congress will offer you a possibility to learn from experts in the field of chemistry, share experiences with companies, scientists, academics and debate about challenging topics.

Registering for the congress means:

- attending more than 300 scientific and professional practice paper presentations
- learning from international leading key note speakers
- joining an event, where both scientific and real business experts are brought together
- enjoying our social networking events
- exploring the exhibition of companies and entrepreneurs from the filed

Don't miss this opportunity! It's time for Turkey! NOW

Go to <http://www.esps2020.org/> for more information, to register and to submit your papers.

We are looking forward to welcoming you in ISTANBUL.

GENERAL INFORMATION

Congress Destination

ISTANBUL

Area: 5.712 km²

Population: 10.018.735

Istanbul, historically known as Byzantium and Constantinople, is the largest city of Turkey. Istanbul metropolitan province had 13.26 million people living in it as of December, 2010, which is 18% of Turkey's population and the 3rd largest metropolitan area in Europe (if its Asian half is counted) after London and Moscow. Istanbul is a megacity, as well as the cultural, economic, and financial centre of Turkey. It is located on the Bosphorus Strait and encompasses the natural harbour known as the Golden Horn, in the northwest of the country. It extends both on the European (Thrace) and on the Asian (Anatolia) sides of the Bosphorus, and is thereby the only metropolis in the world that is situated on two continents. Istanbul is a designated alpha world city.

During its long history, Istanbul has served as the capital of the Roman Empire (330–395), the Eastern Roman (Byzantine) Empire (395–1204 and 1261–1453), the Latin Empire (1204–1261), and the Ottoman Empire (1453–1922). When the Republic of Turkey was proclaimed on 29 October 1923, Ankara, which had previously served as the headquarters of the Turkish national movement during the Turkish War of Independence, was chosen as the new Turkish State's capital. Istanbul was chosen as a joint European Capital of Culture for 2010 and the European Capital of Sports for 2012. Istanbul is currently bidding to host the 2020 Summer Olympics. The historic areas of the city were added to the UNESCO World Heritage List in 1985.
